

## **The Handing Over Ceremony for Japanese TV Programmes Provided by The Japan Foundation to CVM Television**

On Friday, June 30, 2017, Ambassador Nakano presented 12 Japanese TV Programmes to Mr. Wayne Chen, Chairman of CVM Television on behalf of the Japan Foundation to promote Japanese culture to Jamaicans.

Ambassador Nakano in his remarks said that these programmes would aid in promoting the Japanese culture to Jamaicans who have little or no experience with Japan. In response to Ambassador's remarks, Mr. Chen conveys his sincere thanks to the people of Japan for these programmes, and sees it as one more facet of the ongoing cooperation between the two countries. Mr. Chen also notes that the economic ties between the two countries are significant, giving an example of the trade of the Jamaican coffee and music, and Japanese motor vehicles. He further states that CVM is committed to the promotion of Japan and its culture to the people of Jamaica.
