

Areas of Focus

There are four focus areas under the Japan Exchange and Teaching (JET) Programme:

- A. **Community Development:** Fostering ties between Japanese youth and foreign youth at the community level.
- B. **Language Education: Participants** serve in public and private elementary, and junior and senior high schools in Japan.
- C. **Cultural Exchange:** More than 300 Jamaicans have experienced cultural immersion since the inception of the programme in 2000.
- D. **Diplomatic Relations:** The Jamaica-Japan nexus continues to strengthen since it was established over 50 years ago.
