

Grant Assistance for Grass-Roots Human Security Project
Handing Over Ceremony for
The Project for the Renovation of Campbell's Castle All Age School

The handing over ceremony was held at Campbell's Castle All Age School, Manchester on Monday, April 8, 2019. Through our Grant Assistance for Grass-Roots Human Security Project, the renovated school building was officially handed over to Campbell's Castle All Age School.

Ambassador Yamazaki noted that the Government of Japan is very much honoured to partner with Jamaica to assist in the development of the social and economic programmes that further enhances the education for its young citizens through this project. He expressed that our children are invaluable assets representing the future and Japan remains willing to help all young people by supporting their basic human needs. He also indicated his hope that many of children will become Jamaican future leaders in various fields.

Campbell's Castle All Age School has been faced with the challenges to solve the issue of overcrowded class room and aged school building by its own resources. As a result of this renovated school building, the school can offer better educational opportunities for the children. Hereafter, the children can get a comfortable learning environment and the community can also receive opportunities for social development activities.

After the opening remarks from the Principal of Campbell's Castle All Age School, Mrs. Petagaye Campbell, The Advisor in the Ministry of Education, Youth and Information, Mr. Howard Chamberlain expressed that Grassroots Human Security Project provided by the Government of Japan brought the great capacity to all critical area of development, not only in educational sector but also many other sectors in Jamaica. He noted that all children at Campbell's Castle All Age School will receive benefit having access to the latest technology and other resources to help with their educational development. He also extended his deep appreciation for this strong partnership between the Government of Japan and Jamaica.
