

Grant Assistance for Grass-Roots Human Security Project
Completion of
The Project for Improvement of School Transportation System
at Tacius Golding High School

Through our Grant Assistance for Grass-Roots Human Security Project, the two new school buses were officially handed over to the Tacius Golding High School, in St. Catherine and the project was completed on 31st March, 2020.

In light of the current COVID-19 pandemic situation, the school has been closed therefore the new school buses were not utilized yet, but we hope that Jamaica's efforts to combat this disease will be achieved in best results, all the students will receive the benefit from the safe transportation in earliest time. The Government of Japan will continue the support in several different sectors to strengthen the partnership between Jamaica and Japan.
