

[Ambassador Fujiwara Attends an Online Opening Ceremony for Academic and Cultural Exchange between Chiba University and The University of Technology (Utech)]

On September 4 2022, the opening ceremony for a short online programme as organized by Chiba University and The University of Technology (Utech) was held with the support of Japan Association for Promotion of Latin America and the Caribeen (JAPOLAC).

His Excellency, Mr. Masaya Fujiwara, Ambassador of Japan to Jamaica; Her Excellency Shorna-Kay Richards, Ambassador to Japan; Dr. Ritter Diaz Representative Director JAPOLAC (Former Ambassador of Panama to Japan), professors and students of both Universities attended the ceremony.

Through this programme Japanese students of Chiba University will study Jamaican Energy, Ecology and Climate Change Strategy. This program also includes the cultural exchange between students of both universities.

It is expected to contribute to the strengthening of the relations between Japan and Jamaica.
